

Chris Burleson, EVP of Sales for Aztec Systems Inc.

Chris Burleson is Aztec Systems' Executive Vice President of Sales where he is responsible for enterprise-wide sales strategy and execution. Chris is frequently asked to provide insight into the areas of accounting software, business automation, business partnering, eBusiness, and the accounting software industry. Due to his experience in the software industry, he has become a noted speaker on accounting solutions for mid-sized organizations with particular emphasis in supply chain.

Most notable of Chris's sales and consulting experience is his tremendous market, industry and technology knowledge of having been involved in over 1,200 ERP implementations over 37 years of various sizes, ranging for small, 5-to-10 users systems up through an extensive background in large enterprise, mainframe based installations.
